PSR05

**Original published date**

22 January 2018

**Make**

MOTO GUZZI

**Model**

V9

**Affected units**

80

**Images**

## Identifying features

see attached VIN list

**VIN (Vehicle identification number)**

REC-001077-VIN-List-1.csv (CSV, 1.51 KB)

## What are the defects?

Part of the ABS system pipe-work may contact or rub against other parts of the engine.

## What are the hazards?

This may lead to damage of the brake pipes and in the worst case scenario, lead to the loss of braking capability.

## What should consumers do?

Consumers should contact their nearest authorised Moto Guzzi dealer and arrange a time for an inspection and the installation of a specific pipe support bracket. A full list of authorised dealers can be found on the “Find a Dealer” page - <http://motoguzzi.com.au/dealers.html>

For further information consumers can go to Moto Guzzi Australia at <http://www.motoguzzi.com.au> and click on the 'Contact Us' link.

---
