ATTENTION !

Le document original était un assemblage de 2 parts list : V35 II et V35 Imola. La personne qui l'a fait n'a pas tout contrôlé.

Aussi j'ai séparé les 2 parts list du mieux que je pouvais.

La V35 II est une V35 Imola (même moteur) dans un cadre de V50 II. C'est pourquoi les parts list sont ici réunies.

IMOLA

La parts list n'est pas datée mais est antérieure à 1982. L'Imola est née en 1979. On peut penser que cette parts list date de 1980 ou 1981.

Certaines pages concernent la 1re série, d'autres la 2e série. Ceci est dû aux modifications qui ont eu lieu en cours de production :

- distribution par simple chaîne (au lieu de la double) à partir du moteur N° 29135
- pignon de 4e modifié à partir de la boîte de vitesses N° 8467
- allumage électronique Bosch pour les 1res séries, puis à rupteurs

L'embrayage est ici de type Pitteri & Violini. Il y a eu ensuite des embrayages AP.

Le lecteur peut consulter la parts list de la V35 II pour plus de planches illustrant les 2 versions.

Tavola 6 et 7 : copies du V35 II

V35 II

La parts list semble être du 02/1980 (voir coté gauche, en bas du Tavola 1).

Tavola 5 : copie de l'Imola

L'embrayage est ici de type Pitteri & Violini. Il y a eu ensuite des embrayages AP.

Merci à Hansjörg R d'Allemagne

=====

BE CAREFUL !

2 parts lists were linked in the original file : V35 II and V35 Imola. The guy who do that has not all controled.

So I have separate the 2 parts lists the better I could !

V35 II is a V35 Imola (same engine) in a frame of V50 II. That is why the 2 parts lists are together in the same file.

IMOLA

The parts list has no date but is before 1982. Imola is born in 1979. Maybe this parts list is from 1980 or 1981.

Some pages are for 1st series, other are for 2nd series. That's because some updates appears during production :

- simple timing chain (instead of twin chain) from engine N° 29135
- new 4th gear from gearbox N°8467
- electronic ignition Bosch for the 1st series, contact breakers for the 2nd series

Clutch is Pitteri & Violini. Replaced later by AP one.

You can read the V35 II parts list for more drawings showing the 2nd series.

Tavola 6 and 7 : V35 II's copies

V35 II

The parts list seem to be from 02/1980 (see left side bottom of Tavola 1).

Tavola 5 is a copy of the Imola's one.

Clutch is Pitteri & Violini. Replaced later by AP one.
